Principal's Message

Hello Pipestone Families,

Welcome back to another school year. I am very excited to be working with the amazing staff and families at Pipestone School. I recognize there have been many changes this year with a new calendar, new bell schedules and some new staff, including me, but please be assured our goal remains the same. At Pipestone School we want to provide each student with a safe, supportive learning environment where the school community creates the conditions for high student achievement.

Principal, Pipestone School

SCHOOL ATTENDANCE MATTERS

DID YOU KNOW?

Starting in kindergarten, too many absences can cause children to fall behind in school.

Missing 10%, or about 2 days each month over the course of a school year, can make it harder to learn to read.

Students can still fall behind if they miss just 1 or 2 days every few weeks.

When Do Absences Become a Problem?

CHRONIC ABSENCE
18 or more days

WARNING SIGNS
10 to 17 days

SATISFACTORY
9 or fewer absences
