## Principal's Message

Hello Pipestone Families,

It is hard to believe April is already here and Easter is mere weeks away! This month we have a Scholastic Book Fair to look forward to and another opportunity to meet with your child's teacher during Parent Teacher interviews. We have some student activities as well including a two day science camp for grades 4-6 and presenters from No Secrets for all grades. Please see the newsletter for a breakdown of all of this month's activities.

Tanya McFarland  
Principal, Pipestone School

# Staff Spotlight

**My name is Monica Huber. My husband and I live in Pipestone and we have two kids Colton and Kaitlynn. My favourite things are spending time with my family around the fire, getting together with friends, walking my dog Remi and arts and crafts. I started as custodian at Pipestone school in 2014 and as of 2024 /2025 I have been job sharing between custodian and EA and loving everyday!! I am proud to be a part of the Pipestone family. We have amazing students and staff.**
